## Welcome to Parkway Smiles Dentistry!

Our goal is to provide excellent service and quality of care for you so that you can regain and maintain your health quickly, and efficiently. We also have a personal, professional and ethical responsibility to care for your oral health to the best of our ability. It is our greatest aspiration to make your experience in our office an exceptional one. When we succeed, we would appreciate you telling your family and friends about our office. Referrals are the best compliments after all. We welcome you to our office and look forward to a long and healthy relationship. We thank you for allowing us the opportunity.

**Our office policies help us achieve our goal. Please read, initial and sign.**

\_\_\_\_\_ **Concerns:** It is our policy to ensure complete satisfaction of all of our patients with the service and care they receive at our office. If you feel that we have not met our policy, please see our Office Manager, with any concerns you may have to resolve them immediately. *We will do everything in our power to make things right by you.*

\_\_\_\_\_ **Emergencies:** It is our goal to eliminate all potential dental emergencies by providing care for you before they become a problem. In the rare instance that you do have an emergency we want you to be assured that we will take care of you. Please call us right away and we will provide you with the next available appointment. We do set aside time each day for emergencies.

\_\_\_\_\_ **Treatment recommendations** are based on your health not on your insurance or lack thereof. If you have insurance, it is your responsibility to be aware of your benefits. Remember, *insurance companies are not concerned about your health or well being.*

\_\_\_\_\_ **Assignment of benefits:** I confirm that I have dental insurance with the Insurance Company(ies) provided and I authorize and consent that Dr. Su-En Thlick and Associates of Parkway Smiles Dentistry use the information I have provided and disclose such information to the Insurance Company(ies) I provided by me for the purpose of obtaining payment for services. I authorize the use of my signature on all insurance submissions

\_\_\_\_\_ If you **miss a reserved appointment**, it compromises your health. It is important to make it up. It is critical to your health to do so in order to avoid setbacks in your care and maintenance of your teeth and gums. If you cannot keep your reserved appointment (*except in the case of an emergency*) you are expected to call our office within *48 business hours* of your reserved appointment to update our team. *Saturdays and Sundays are not considered business days.* There is a \$50.00 fee, for all no-shows, per hour. *This fee is not covered by insurance and is non-refundable.*

\_\_\_\_\_ We run a **zero balance office**. In order to reserve appointment times with the doctors, *we expect payment in full prior to the time treatment is provided.* We have several financial options available for all of our patients.

**By signing this form you are in agreement with our Office Policy**
